Appendix 2

- The structure of LUTs, according to CLC and UA, and TCD.

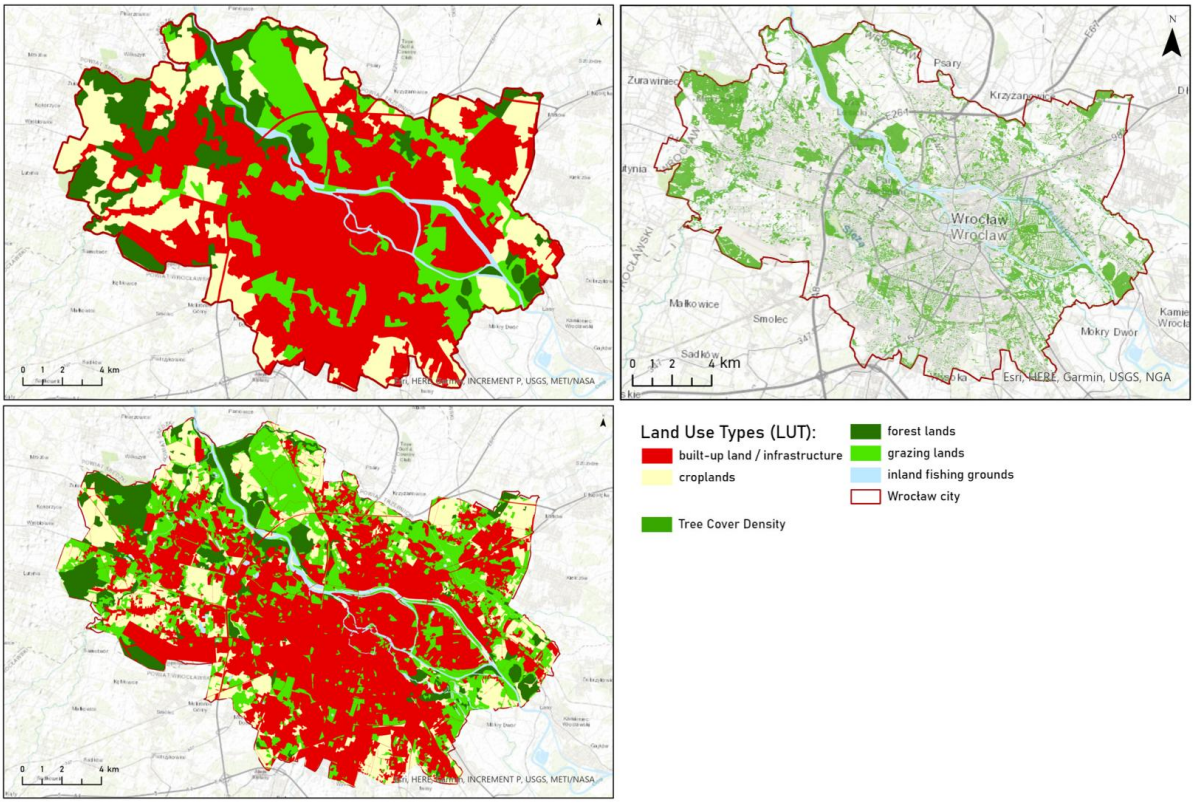

Fig. A1. The structure of LUTs according to CLC (upper-left part of the figure) and UA (down-left part of the figure), and TCD (upper-right part of the figure).

- The intersected surfaces of CLC and UA with TCD.

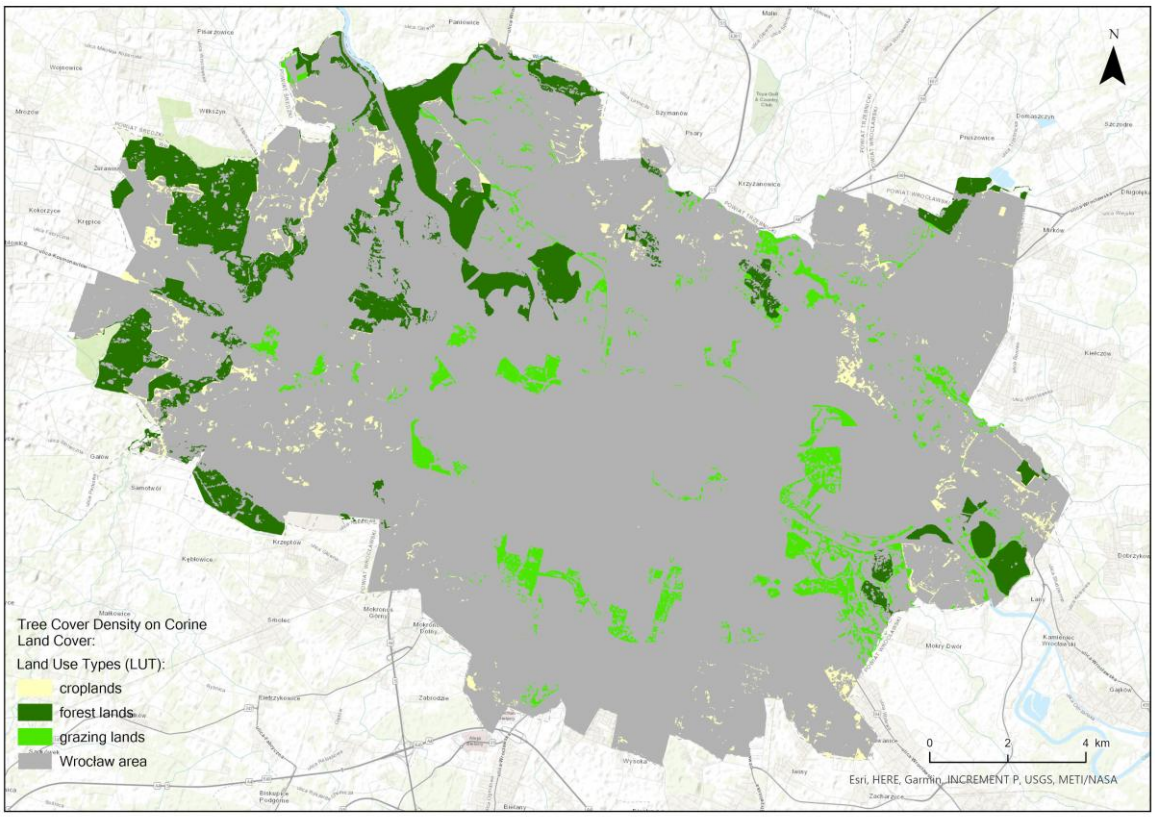

Fig. A2.1. The structure of intersected CLC's vegetated land with TCD.

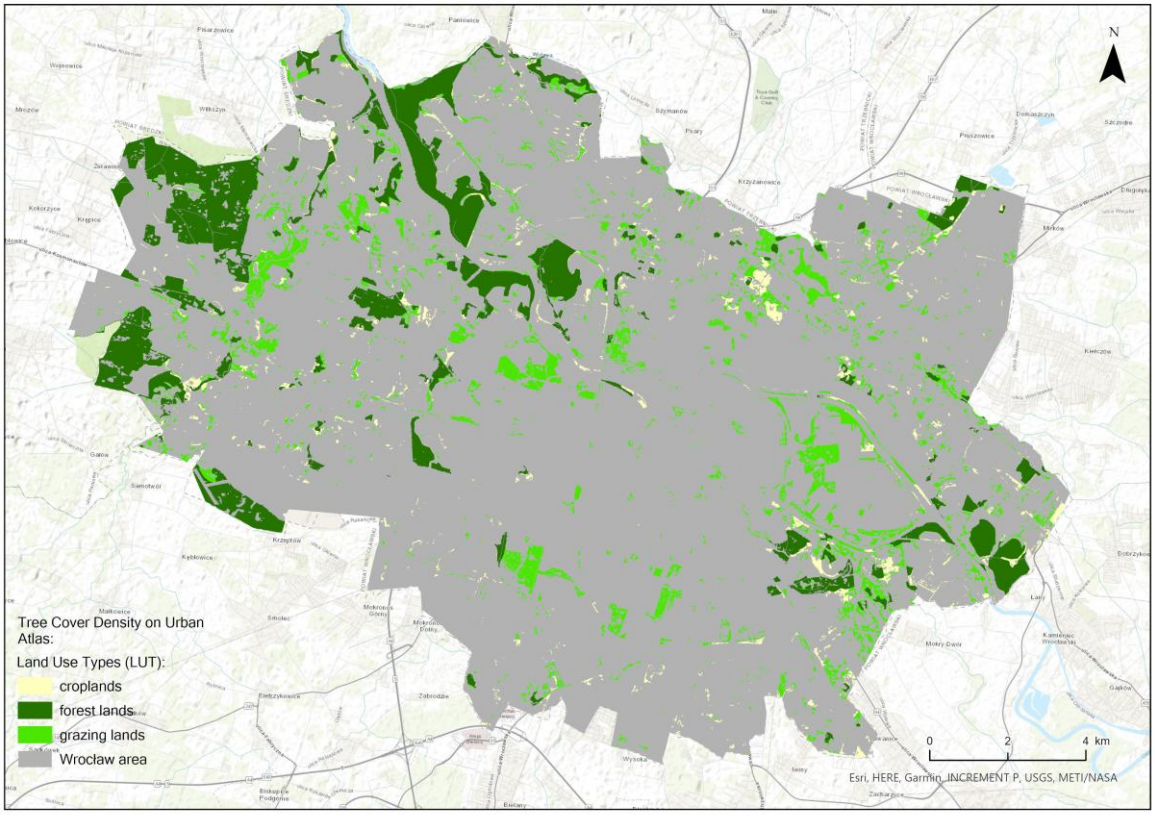

Fig. A2.2. The structure of intersected UA's vegetated land with TCD.
